No. 2

Dear HWE Leaders,

Choice greetings from Hong Kong in the wonderful name of our Lord & Saviour Jesus Christ!

I wish to reiterate my joy in attending the Hope Fest 2 weeks ago. I appreciate Vincent for remembering something I shared a while back. He reminded us that, to be a SAINT, we should:

Seek God's presence and power

Aware of Satan's schemes

Invest in God's Kingdom

Not backsliding

Trust in God completely

As I seek God daily, I understand more and more that the key to understanding God's thoughts and God's ways for His Creation and Planet Earth going forward is seeking God's wisdom, God's understanding and God's knowledge. It will also help us to understand the time we are in and our role in God's Kingdom.

Recently God spoke to me in Ps. 32. I was particularly blessed by the following verses:

[Ps 32:1-11 NIV]

1 Blessed is he whose transgressions are forgiven, whose sins are covered.

5I acknowledged my sin to you and did not cover up my iniquity. I said, "I will confess my transgressions to the LORD" — and you forgave the guilt of my sin.

6 Therefore let everyone who is godly pray to you while you may be found; surely when the mighty waters rise, they will not reach him.

7 **You are my hiding place**; you will protect me from trouble and surround me with songs of deliverance.

8 I will instruct you and teach you in the way you should go; I will counsel you and watch over you.

10the LORD's unfailing love surrounds the man who trusts in him.

11 Rejoice in the LORD and be glad, you righteous; sing, all you who are upright in heart!

I find my hiding place in God when I am alone with God, where I pray and read His Word. It is a most refreshing and therapeutic time. My soul and spirit are renewed. As I seek God's face and God's forgiveness of my sin, God will cleanse me from all unrighteousness - in my thoughts, in my speeches and in my actions. That will give me the confidence to pray for many things that are close to my heart, and, I believe and hope, God's heart.

Now I get into the office by 8:00am each morning. The place is normally empty with may be 1 or 2 staff there. I would walk around the whole office and pray for God to bless the place and all the people who work there.

I can really see God's hand in the work place. The situation of 2 months ago has been turned around. My leadership role in the project is being accepted, even by those who opposed me in the beginning, and there is much better teamwork among the different disciplines. Even my boss admitted to me that things had got better since my arrival. :o) All these were possible ONLY because of God's help. I believe God blesses because He sees my heart in seeking His Kingdom and His Righteousness in the market place!

Now I am seeking God for His plan for me in this city of Hong Kong and beyond. I am praying that I can be a bridge between the Church and the world. The gulf is vast and it will take a long span bridge like the Tsing Ma Bridge to bridge the distance. I made another visit to the bridge yesterday (17th April) and I was amazed to find out that, at one end of the bridge, a Noah's Ark theme park has been built by Sun Hung Kai (a Hong Kong Developer), symbolizing God's salvation for mankind. Praise the Lord!

May I encourage you to be a SAINT. As you seek first God's Kingdom and His Righteousness, may our Lord God grant you His favour – His protection, His provision, His prompting and His power daily, helping you to live a victorious life for God's glory. Amen!

With love & prayers
