No. 3

Dear HWE Leaders,

Choice greetings from Hong Kong in the wonderful name of our Lord & Saviour Jesus Christ!

I would like to give you an update of my situation as I seek God for the way forward.

I believe God brought me back to Hong Kong for a good reason. In the past 2 plus months, I experienced God's help first hand despite of the challenges I faced, physically and emotionally. Psalm 31 reflects pretty much my prayer right now:

[Ps 31]

1 In you, O LORD, I have taken refuge; let me never be put to shame; deliver me in your righteousness.

2 Turn your ear to me, come quickly to my rescue; be my rock of refuge, a strong fortress to save me.

3 Since you are my rock and my fortress, for the sake of your name lead and guide me.

4 Free me from the trap that is set for me, for you are my refuge.

7 I will be glad and rejoice in your love, for you saw my affliction and knew the anguish of my soul.

8 You have not handed me over to the enemy but have set my feet in a spacious place.

11 Because of all my enemies, I am the utter contempt of my neighbors; I am a dread to my friends — those who see me on the street flee from me.

13 For I hear the slander of many; there is terror on every side; they conspire against me and plot to take my life.

14 But I trust in you, O LORD; I say, "You are my God."

15 My times are in your hands; deliver me from my enemies and from those who pursue me.

16 Let your face shine on your servant; save me in your unfailing love.

17 Let me not be put to shame, O LORD, for I have cried out to you; but let the wicked be put to shame.....

18 Let their lying lips be silenced, for with pride and contempt they speak arrogantly against the righteous.

The warfare is natural because of what I believe are God's plans for me going forward. The enemy is trying to discourage me from moving forward in God's plan by faith. Right now, I am 99% certain that I will be based in Hong Kong and I am making the following plans for God to confirm in the next few months:

1) Market Place Ministry (starting within 3 months)

Besides the financial benefits, one of the reasons why God opened a door for me come back to work in Hong Kong in a senior role is to start a market place ministry under the church. Many Christians who have senior roles in the market place are not involved in God's Kingdom because of time and also because they do not know how. But I believe that they all have a role in God's overall Kingdom economy.

God is putting some ideas in my head already, including involving ex-Hope leaders like Reto, Tor, Albert and Chiew Bong. Basically, these people can facilitate the advancement of God's Kingdom by providing finance, resources and other supports to the church, besides also practicing God's principles in the Market Place. I will share more once I have a concrete plan.

2) HIM Hong Kong (church service by end 2010)

I have lots of contact in Hong Kong whom I want to bring to church, so starting HIM Hong Kong is a must. Right now, I am waiting for and working on a few people to start a Home Group. For it to work, this seed people (like Vincent when Kim and I pioneered Hope London 12 years ago) have to be from God.

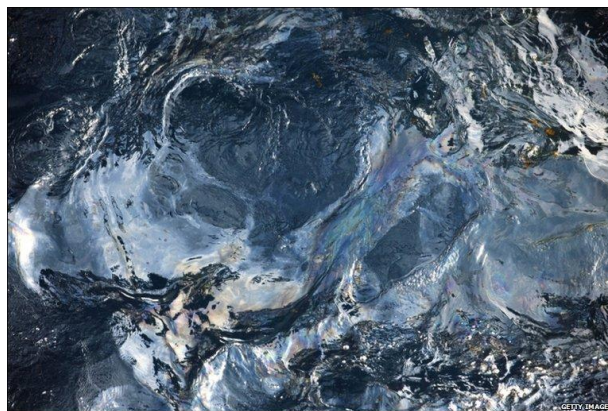

I aim to start a Home Group as soon as possible and have a public service by the end of this year.

3) HIM West Europe

I praise and thank God for you guys for taking up leadership to continue the work in West Europe. Although I am based in Hong Kong, you are still very much in my heart and my prayers. I hope I can still join the Hope Fest and ELC in future. It is of course up to the HIM Eldership to decide when I relinquish my role as Regional Pastor for HWE.

Political Trouble in Thailand

Environmental Trouble in the Gulf of Mexico

We are living in troublesome time. It is important for Christians to discern and understand the time we are in. God is shaking the nations in different ways, trying to get people's attention to come back to God.

At the same time, God is building His Church. God will bless those who are able to see beyond the troubles and trust fully in His promises. God will demonstrate His power and display His glory through His Church. Christians who walk in God's plan and His ways will be blessed.

Financial Trouble in Europe

IMF Exerting Influence in The Nations

The god of money will become more powerful and influential in the days ahead. People, Christian included, who worry about money instead of trusting in God's provision will fall prey to the devil's schemes and live a defater's life.

Concluding Remarks

For my plans to happen, I will be look at working part-time after my current 6 month contract is up. This has to come from God, because normally projects require full-time people. But God can make the impossible happen, as He had demonstrated in my life in the past.

As I have shared before. On my last birthday in August 2009, I asked God for another 15 strong years in serving Him. I now ask God to help me to achieve the above plans in these 15 years, if Jesus does not come back before then.

Be encouraged to continue to serve God faithfully until the End. There is no greater purpose then to use all God has given us to serve the King of all kings. Amen!

With love & prayers in Christ,
