No. 8

Dear Friends,

Choice greetings from Hong Kong in the wonderful name of our Lord & Saviour Jesus Christ!

In the last Newsletter, I reported on my discernment of the spiritual condition of Hong Kong. I did not detect any common trend in terms of timetable, although the Great Commission was very much on the mind of the Leaders of the bigger churches.

One mega church (Church of Zion) I mentioned was kind of hinting that the 7 year tribulation had already started in 2009 and they were expecting something dramatic to take place in 2012!

They quoted the Illuminati (Freemasons) as the chief agent of Satan and that America had been hijacked to do the devil's work.

The pastor was preparing his congregation for the final battle!

7 Year Tribulation Timeline

**7 Year Tribulation
(The Pyramid on the US Dollar)**

I stated that:

Personally, I do not want to predict when Jesus will return a 2nd time. Indeed, only our Father in Heaven knows the time and the hour. But I do believe the time is near.

I suggested that we should all be ever ready, like the 5 wise virgins in [Matt. 25]. We can do so by continually serving the Lord diligently.

I started Project SOUL (a kind of Alpha Course) in Hong Kong on the 24/7 for my not-yet believing friends. So far, one ex-colleague has been joining consistently. Last week, I received an invitation from him to attend a Freemason Dinner & Dance (see **Appendix**). I find it absolutely amazing, that the one willing soul coming to the bible study is a Freemason!

I have known for a long time about Freemason influence in Hong Kong. I Knew all along that many influential people in politics & commerce are Freemasons. Now I can believe that the influence extends to all spheres of the City, including senior professionals in the construction industry. That makes my job of trying to reach out in the marketplace even more interesting☺.

Indeed the devil has won the loyalty of many “spiritually blind” people through money & power. Simply look at the number of lodges that are mentioned in the invitation letter – Cosmopolitan No. 428, St. Andrew in the Far East No. 493, St. John No. 618, Naval & Military No. 848, Eastern Scotia No. 923. Assuming each lodge is like a cell group of say 10 people (I will check with my friend when I see him next time), we are talking about tens and hundreds of thousands of influential people around the globe, worshipping and serving Satan!

On the other hand I am excited that God is building His Church. Jesus said the Church will be built and the gate of hell will not overcome it [Matt. 16:18]☺.

I had a great time attending the Church Retreat of a Shenzhen Church on the 1st, 2nd and 3rd Oct.. I had very good feedback on my sharing. I will continue to work with the pastor as I can see my church planting experience can really help him and the church.

As I seek the Lord regarding my ministry in Hong Kong and China, the impression I got was more on the training of church leaders. I know this makes sense because it will be too slow to start a church from scratch, like what we did in London 12 years ago.

For your information and prayers, I am renting an office space in Worldwide Centre in the heart of Kowloon. I am launching a kind of "Building Biblical Churches" school to bless the Body of Christ and to hopefully attract a sizable team to help me start HIM-Hong Kong.

The Inaugural Meeting is scheduled on the 6th November, the date of the Freemason Dinner & Dance! Please pray with me that God will use this training school to advance His Kingdom in Hong Kong and China. In Jesus' Name. Amen!
